NO.F.6(51)/STAT/Price/2004
Government of Tripura
Planning (Statistics) Department

Dated, Agartala, the November, 2004

NOTIFICATION

The information generated from the gram Panchayats and Village Councils for various aspects like status of primary education, elementary education, agriculture, land utilization, animal husbandry, health care facilities, drinking water facilities, registration of births and death, village level population with break-up of Sc/ST/OBC etc. are the prima basis for the local level planning for district as well as for state level planning.

These informations as a by-product of various administrative functions provide the impetus not only for local level planning at lock and district level but also cater the need to state and national planning and policy decisions. It is, therefore, felt necessary to generate reliable and authenticated data at village level, block level and district level. For generating reliable and authenticated quality data at village level, we need to ascertain following consistency check: -

i) Data once collected by the village level staff, say, the VLWs/ Panchayat Secretaries/ SEWs/ Anganwadi workers etc. may be cross checked with previous similar data. If the variation is found abnormal data again be re-examined. Even after re-checking, if the data is found very high/ low a suitable remarks may be given by the concerned field officials.

ii) Some test checks of data, say, 30%, is absolutely necessary by the senior officials posted at Block level. The District Officers of the concerned districts may also check the village level data at a minimum of 20% in every year.

iii) The data so collected is then to be scrutinized in the respective offices (District level) for reducing the errors of data and then stored in District Office with intimation to District Statistical Officer of the District.

iv) The scrutinized data be sent to the Department and Department should store the date which only to be considered for official usage.

In view of the above, all Government officials posted at village level/ circle level/ block level/ district level are hereby required to follow the above instructions rigidly.

In addition to this, the Chairman and members of the Panchayat Samities, Zilla Parisads are also requested to extend necessary support and co-operation for generating quality and reliable data for planning policy decisions project formulation and programme implementation.
